

UPLOADING INSURANCE AND REGISTRATION DOCUMENTS

This guide will show you how to seamlessly upload insurance and/or registration information for your vessel(s). **All Suntex Marinas require at least the declarations page, so we highly recommending uploading this document.**

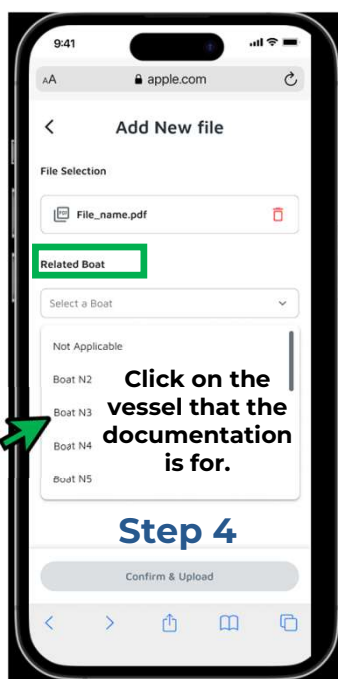

Unsure what the insurance and registration requirements are at your marina? Please call your onsite team for assistance.

Uploading Insurance and/or Registration Documentation

Kindly visit your **marina's website** and click the **portal button** located in the **upper-right corner** of the page.

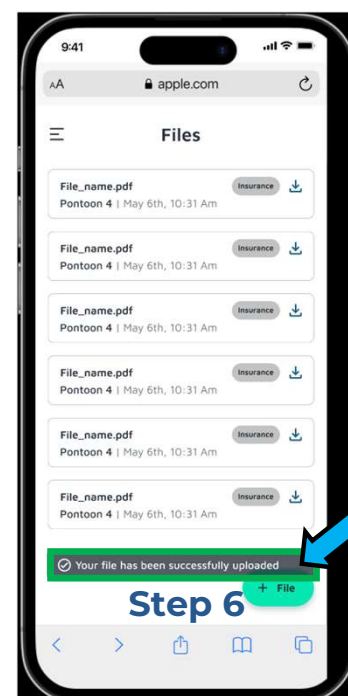

Your insurance/registration document must be saved to your device. Click the saved file to upload here.

Click on the vessel that the documentation is for.

Click to upload after confirming the information here.

Your file has now been saved to your account!
